IT Professional Networking and Knowledge Center

Where networking and knowledge intersect

ISACA's IT Professional Networking and Knowledge Center is a meeting place for IT professionals who share common professional interests. Participants can consume information, exchange expertise and experience, and build new understanding through collaboration. A wide range of disciplines and practices powers this global professional community, making it a truly unique and holistic resource.

E-mail Enabled Discussions!

토론에 참석하는 것이 어느 때보다 쉬워졌습니다.
E-mail에 바로 회신을 통해 토론에 참여 가능

- “Set Alerts” 를 통한 알림 기능 활성화

Set Alerts / Participate by Email 

- 웹 사이트의 오른쪽 상단에 “My Alerts”를 통해서 알림에 대해 관리 가능

감사합니다.
